SUNDAY SCHOOL:

11:30AM - 12:30AM

The Book of Judges is full of people who were consistently making mistakes. After the death of Joshua, there was no strong leader for the Israelites, and so they fell into sin. Time after time, they turn away from God. And time after time, God forgives them. This is the story of an unfaithful people and a faithful God.

Join us as we learn what this means for our lives and how we can experience the same love and faithfulness.

TUESDAY YOUTH GROUP:

4:00PM - 6:00PM = Hang Time

Enjoy this time dedicated to building relationships and encouraging others as we continue to face our busy weeks. Come ready for:

- Friendship - Connect with other students from the church and community.
- Laughter - By the time we reach the middle of the week, we all need a laugh.
- God - Bible study immediately follows hang time.

6:00PM - 7:30PM = Bible Study

We have recently started a study on the book of Ecclesiastes. The Teacher starts with a very negative and pessimistic view of life, using nature as an example of how nothing ever changes - and everything is meaningless. But is it? Join us as we journey with the Teacher and learn from his questions as we process our own.
